We are an advice centre for young immigrants between the ages of 12 and 27, living in Bonn, Königswinter or Bad Honnef.

We can give you advice

- If you have any questions or problems at school, at work, in your family
- About the law on residence / on residence titles
- With your finances

We can support you

- When you need to choose your integration/ language course
- When you are looking for a school, an apprenticeship / internship, a job
- When you are trying to find accommodation

We can help you

- to get your school reports / your certificates accepted
- to write your CV and letters of application
- to fill in forms and applications
- with problems with the Jobcenter, with the social services department, immigration office or any other authorities

We can inform you

- About possibilities of finding a school and a job in Germany
- About the possibilities for spending your free time
- About opportunities for further education and training

We will work with you to plan all the steps you need to take to reach your aims in Germany.

You do not have to pay anything for these services.
